

How then, can they call on the One they have not believed in? How can they believe in the One of whom they have not heard? How can they hear without someone proclaiming the message to them? *Romans 10:14*

THE SEED PROJECT

SEEING EVERYONE'S ETERNAL DESTINY

Let's give everyone in your community the opportunity of knowing about your church and how they can live forever!

REACHING AUSTRALIA

Great Commission Ministry Inc. is committed to reach each home in Australia with the Good News.

We can't make people believe, but we can give them the opportunity to know God personally and receive the gift of eternal life.

We want to help churches to work together to reach each home within their town, suburb or neighbourhood.

REACHING YOUR COMMUNITY

You can let every person in your community know about your church. The name of your church, where you are located, the times of your services, how your church can help their family and how they can connect with your Church.

You can make your church known in your neighbourhood by inviting households to a Christmas service, Easter service or special evangelistic event.

REACHING HOMES

Your church can place the Gospel into homes in your area through colourful flyers with 3 short videos on Life's Most Important Questions, a beautiful full-colour illustrated Gospel booklet and the Jesus film available in over 1,800 different languages for our multicultural society.

OUR PLAN IS THE SEED PROJECT – *Seeing Everyone's Eternal Destiny*

Our goal is to help reach every home in your community. This can be done in a few ways:

1. Place in each letterbox information about your church with an invitation to a special church service. It may be Christmas, Easter or a special evangelistic service. Also include a clear Gospel message.
2. Hold a special family event where everyone is welcome. There should be a special place where there is information as to how the church can help families and a place offering free Gospel materials and a New Testament.
3. There can also be ways of sharing the Gospel electronically. Many people spend time at home and could find it easy for them to share information about your church and the Gospel online.
4. You can also have small groups where they can invite non-believers to go to the website www.IsThereaGod.com.au to view the videos and discuss the topics listed. This can be multiplied many times.
5. There may need to be evangelism and discipleship training to help people share their faith with their family and friends.

Empowering believers to reach their world!

THINGS YOU CAN DO:

1. Make a commitment that you will follow God's command and reach every home in your community with God's truth and how your church can help them.
2. Determine the area you want to cover. Work in unity with other churches.
3. Prepare your people. Share the vision and your commitment.
4. Pray for your community.
5. Choose what strategy you want to work with and how you should promote your church, as well as the Gospel.
6. Work out a strategy to distribute the materials home by home. You can place your materials into letterboxes with "No Junk Mail".
7. Have a follow-up plan to help people come to faith and grow in faith.
